A NOTE FROM ELLY

Dear Friends,

For over 34 years committed Whiz Kids staff and volunteers have stepped into the lives of children and their families across Denver and surrounding areas to offer encouragement, skill building and friendship. It's hard to measure the impact of this life-on-life ministry. The relationships formed at Whiz Kids are transformational in nature—both student and mentor learn together and from one another. What an honor it is to be a part of this world-changing ministry where hundreds of caring adults and teenagers spanning 4 generations offer their very lives to students each week so they may understand their worth.

Thank you for your part in this transformational ministry!
We are truly better together.

With humble gratitude,

Elly Conant
Executive Director
