

Whiz Kids 2025 IMPACT REPORT

ABOUT OUR WHIZ KIDS

Dear Friends,

For over 36 years in the Denver Metro area, Whiz Kids has faithfully served as the only free one-to-one tutoring and mentoring program of its kind—matching students and volunteers each week to grow in reading, math, confidence, and hope. At the heart of our work are trusted relationships that become the foundation for lasting change.

This year we said goodbye to our founder, Don Reeverts, who built Whiz Kids on the belief that consistent, caring relationships transform lives. Today we see that legacy in former students returning as volunteers and even enrolling their own children. That kind of generational impact is the fruit of steady faithfulness.

It is a privilege to lead this work and to invest in students with dignity and respect. Thank you for being part of a story that is building something that lasts.

With gratitude,
Elly Conant
Executive Director
