

STUDENT SKILLS FORM

Purpose: In order to provide each tutor with information about where their student is currently performing in their academics, please use the dropdown lists to select the standards from which the student could most benefit. **You do not have to check every box that needs improvement, just where they can begin right now.**

The Colorado Academic Standards are listed by grade, however, please feel free to select standards that are not from your students current grade, but are most appropriate.

Student Name: _____ School: _____	Grade: _____ Teacher's Name: _____
--	---

SOCIAL EMOTIONAL

<u>Student Social/Emotional Struggles or Concerns:</u> _____ _____

READING

<u>Student's Reading Level:</u> ☐ At Grade Level ☐ 1 Year Below Grade Level ☐ 2 Years Below Grade Level ☐ More than 2 Years Below Grade Level	<u>Any Relevant Data:</u> _____ _____ _____
--	---

<u>1st Grade:</u> ☐ Identify 26 Letter name / sounds ☐ Read CVC Words ☐ Read Words with digraphs ☐ Blends, silent e ☐ Ask and answer (oral and in writing) questions about characters, setting, events in a fiction text ☐ Understand nonfiction text features (captions, headings, charts, pictures)	<u>2nd Grade:</u> ☐ Vowel Teams ☐ Vowel-r ☐ Silent Letters ☐ Key ideas and details to ask and answer (wh-questions, why and how) questions ☐ Retell stories ☐ Identify the main topic of a text ☐ Summarize the main idea using details ☐ Explain how text features (headings, captions, subheadings, glossaries, indexes, images) contribute to a text
--	--

<u>3rd Grade:</u> ☐ Multi-syllable words ☐ Prefixes ☐ Suffixes ☐ Use text evidence to ask and answer questions ☐ Retell stories using key details in a text ☐ Summarize central ideas and important details ☐ Distinguish their own point of view from that of the author	<u>4th Grade:</u> ☐ Key ideas and details ☐ Talk about the theme ☐ Character development ☐ Plot development (conflict and resolution) ☐ Draw inferences ☐ Interpret graphs, diagrams, time lines and pictures
<u>5th Grade:</u> ☐ Identify purpose of a text ☐ Describe narrator's point of view ☐ Explain relationships of events, individuals or ideas ☐ Answer questions about information provided in text features (bold type, headings, graphic organizers, glossary, charts).	<u>Other helpful information for the tutor regarding reading:</u>

MATH

<u>Student's Math Level:</u> ☐ At Grade Level ☐ 1 Year Below Grade Level ☐ 2 Years Below Grade Level ☐ More than 2 Years Below Grade Level	<u>Any Relevant Data:</u>
<u>1st Grade</u> ☐ Count to 120 from any number less than 120 ☐ Show two digit numbers as tens and ones ☐ Compare 2 two-digit numbers $> < =$ ☐ Add and subtract within 20 (story problems) ☐ Solve 3 number story problems ☐ Find missing numbers ($8 + ? = 10$)	<u>2nd Grade</u> ☐ Count within 1000 by ones, fives, tens and hundreds ☐ Show three digit numbers as hundreds, tens and ones ☐ Compare 2 three-digit numbers $> < =$ ☐ Add and subtract within 100 (story problems) ☐ Add up to 4 2 digit numbers ☐ Fluently add and subtract within 20 using mental strategies ☐ Identify numbers as odd or even

<u>3rd Grade</u> ☐ Use place value to round whole numbers to the nearest 10 or 100 ☐ Fluently add and subtract within 1000 ☐ Multiply one-digit whole numbers by multiples of 10 (8×10 or 5×50) ☐ Represent fractions on a number line ☐ Explain equivalent fractions ☐ Use multiplication and division within 100 ☐ Solve two-step word problems using the four operations (+, −, ×, ÷)	<u>4th Grade</u> ☐ Use place value to round multi-digit whole numbers to any place ☐ Multiply a whole number by up to 4 digits by one digit number ☐ Add and subtract mixed numbers ($1 \frac{1}{2}$) with like denominators ☐ Multiply a fraction by a whole number ☐ Use decimal notation for fractions with denominators 10 or 100 ☐ Solve multistep word problems with whole numbers using the four operations ☐ Find all factor pairs for a whole numbers in the range 1–100
<u>5th Grade</u> ☐ Read, write decimals to thousandths using base-ten numerals, number names and expanded form ☐ Fluently multiply multi-digit whole numbers ☐ Divide whole numbers with up to four-digits and two digits ☐ Add, subtract, multiply and divide decimals to the hundredth ☐ Add and subtract fractions with unlike denominators ☐ Solve word problems with addition and subtraction of fractions ☐ Multiply fractions and whole numbers by fractions	<u>Other helpful information for the tutor regarding math:</u>
