

## Club Time Lesson #11 – Good Friday

---

**OBJECTIVE:** Part two of Easter message – Good Friday

---

**GAME:** (Please choose from folder)

**READ & DISCUSS:**

- What did we talk about last week?

Let's read what happens next to Jesus.

**Read Luke 23: 26 only and 32 – 43**

- What stands out most to you from this story? (*Kids love to talk about movies they've seen about Jesus' crucifixion. It might be worth it to spend some time letting them air out what they've seen and/or heard.*)
- What do you learn about Jesus from what we've read?
- One of the criminals made fun of Jesus. What does the other one say?
- What do you think made him believe in Jesus?
- People who follow Jesus remember this day as Good Friday. What is good about it?

*Pass out papers and walk kids through making this cross as a reminder of Jesus' sacrifice for us. (See instructions attached). They can make them as you read the closing thoughts.*

**CLOSING THOUGHTS:**

Jesus had no sin, but he took on all our sin and died in our place. Because of sin's influence in our lives we struggle with hatred, unforgiveness, selfishness, and lies. The only solution is found with Jesus Christ and the sacrifice of His life so that our sins may be forgiven, and through His resurrection (which we'll read about next week), we are made alive again, so that we can live in Heaven forever!
