

Whiz Kids Club Message #5 – Fall 2021 Online

Topic- Point:	Person: Jesus shows that He is God
Text:	Mark 4:35-41 The Stilling of the Storm

Introduction:

We're going to play a game called, "Who Am I?" and it is based on Disney characters! *(Have PowerPoint slides pulled up and ready)*

Body:

In Jesus' time on earth, He didn't just say who He was, He demonstrated it. Our Bible story today is one of those times.

Jesus is with His close friends in a boat crossing a large lake.

These friends, His disciples, find out that they really don't know Jesus as well as they thought.

(Set the scene.) Jesus had just had a long day of teaching and helping people. He was very tired. The disciples were used to sailing in all kinds of weather, so Jesus takes a break and falls asleep in the boat.

(Show video of Mark 4:35-41, 2min 8 sec)

At first the disciples were kind of mad at Jesus. What do you think they wanted Him to do?
Bail water?

Why were they terrified after the storm was calm?

Pair Share: What are some things you can learn about Jesus from this story?

Jesus didn't just say He was God, He showed it.

Conclusion:

Like the disciples, we're always able to learn more about Jesus and how He is God in human form. The more we know, the more amazing He becomes to us.

He doesn't want to be mysterious to us. He wants us to really know Him and know how much He loves us!

Action:

Jesus want to give us calm and peace when we need it today, just like He did then. *(Show slide of God helping you through storm)*

Pair Share: *(Consider sending pairs back to their breakout rooms for this question and they can leave the meeting from their breakout room)* Can you and your tutor think of a situation right now where you would love to have Jesus give you peace and calm in that storm? He can! Let's ask Him as we pray together.
