Topic- Point: INTRODUCTION: The BIG Picture of **You** - Psalms 139:13-14 & 16

Introduction:

Last week we talked about the Big Picture of God, today we're going to be thinking about the BIG picture of you.

Can any of you remember what it was like before you were born and you were inside your mother's tummy, also called the womb?

Do you think it was dark? Was it safe, warm and cozy? Did you have to do anything? Did you have to do homework? (*show pictures of baby inside the womb – discuss*)

Sounds like a pretty easy life. So, why didn't you just stay there?

How did you know when it was time to come out? After nine months, you might be getting kind of bored or crowded.

Body:

For fun, show me how you looked when you were all balled up inside your mom? Tuck your knees up and make yourself as small as you can. Cute! Next, show how you acted when you were first born. Noisy!

Was it still dark? Warm? Safe? Cozy?

But look at yourselves now! Did any of you survive? Grow? Learn anything? You're all beautiful **miracles of God**, Who, by the way, **loves you so much!**

Pair Share: How long do you think God has known you?

Well, He knew you before creation! (*Read Psalms 139:13-14 and 16 show pics*)

Conclusion:

It shows that God was always with you, right from the start. He gave you life and He placed an eternal soul in you that lives forever! He looked at you and saw that you were very good! Wow! That's the wonderful BIG picture of you!

Action:

As you go through life, remember that **God has a plan for you!** And as you go through each day, remember that He sees you and He's with you always!

Close in prayer.
