

## Club Time Lesson #14 – Year-end

---

**OBJECTIVE:** Last session – Bibles and year-end ‘stuff’

---

**GAME:** Take your time with the game during the last session. Maybe play 2.

**CIRCLE UP:** If possible form a circle with your group.

- Spend some time asking kids what they learned or remembered. It’s always good to laugh together and just hang out.
- Whiz Kids will have some items to give to each student and students may take a Bible home with them.
- Toward the end, have tutors give kids a year-end word of encouragement.

Something like, “ \_\_\_\_\_ I have enjoyed working with you this year and I can see you’re so good at \_\_\_\_\_. I hope that \_\_\_\_\_”

Kids could even say something simple to their tutor: “ \_\_\_\_\_ I just want to thank you for \_\_\_\_\_.”

End with prayer and your own words of encouragement.
