

Jesus in My Life

[Intro]

Whoa

Whoa oh

Whoa

Whoa oh

[Verse]

When things have got me down

And no is around

I got Jesus, I got Jesus

When life's a mystery

And peace is what I need

I got Jesus, I got Jesus

[Pre-Chorus]

Everybody, everywhere

Come on, come on, let me hear you sing

[Chorus]

Everything's okay and everything's alright

'Cause I got Jesus in my life

Everything's okay and everything's alright

'Cause I got Jesus in my life

[Post-Chorus]

Whoa

Whoa oh
