

Oh I know, God Loves Me

Oh, I know, God loves me and it makes me want to jump.

Oh, I know, God loves me and it makes me want to shout.

Oh, I know, God loves me and it makes me want to
sing.

I wanna' jump, and shout, and sing.

C'mon let's jump!

C'mon let's shout!

C'mon let's sing!

We're gonna' jump and shout and sing!
